Performed projects

Online Curriculum Vitae : <https://pipit.u-strasbg.fr/~brugneaux/>
HTML – CSS – PHP – JAVASCRIPT

Project for the 3rd semester of my DUT in France: Improvements and addition of new functions on administrator and user sides on the intranet used by the lecturers. Real time access to the DB with DQL and use of CodeIgniter framework, also dynamic creation of PDFs.

HTML – CSS – PHP (DOCTRINE) – MySQL – JAVASCRIPT (JQUERY)

Project for the 1st semester of my Bachelor: Creation of an application helping to calculate the costs and other important information about a car trip. Creation of a BD, of an administration and customer interface as well as using the Static Google Maps API. The customer and the administrator use server to get their data. The administrator can access the DB directly thanks to a interface designed for him.

JAVA (INCLUDING RMI AND CORBA MIDDLEWARES) – C – API STATIC GOOGLE MAPS – MYSQL

Skills

French : Mother tongue
English : Spoken and written fluently

I've spoken English daily for more than a year, living in Denmark.

German : Academic level

Programming languages

ASSEMBLER - C	■ ■
C#	■ ■
JAVA	■ ■ ■
HTML - CSS	■ ■ ■
JAVASCRIPT/JQUERY	■ ■
PHP (+DQL)	■ ■
PYTHON	■ ■
SQL	■ ■

Operating Systems

WINDOWS XP - 7
LINUX (DEBIAN - UBUNTU)

Software

ECLIPSE - VISUAL STUDIO - ATMET - MAPLE
SUITE OFFICE - PHOTOSHOP

Career

2011	Cashier Société Générale - France Welcoming customers – Withdrawing cash – Regular operations - Support
2007	Trainee La Poste - France Internship as part of highschool

Interests & Hobbies

Sports	Judo – Mountain Bike – Alpine skiing
Culture	Cinema – Music – Reading – Video Games – Design
Personality	Kind – Open minded – Perseverant
More Information	20 years old – Got Driver Licence – Likes travelling
